25 EXT. GOVARDHAN'S BUILDING-GATE - DAY

A Toyota Fortuner, with the single digit number 9 on its plate, stops at the building's gate. Four well built men rush in and enter past the gate, and almost immediately rush out with a POMERANIAN spitz. They enter the Toyota Fortuner and drive away.

POM OWNER (O.S.)
 Mahalakshmi! Mahalakshmi!
 Mahalakshmi ni kidnap chesaaru!

Hearing this inside the security cabin near the gate wakes an asleep INUMAYYA. INUMAYYA is a filthy little man with a shaggy beard and shabby clothes. He wears a dark blue uniform and a blue cap common among the security guards, only a small metal alcohol flask around his neck to go with it. INUMAYYA has a drink from the flask before going back to sleep.

26 EXT. GOVARDHAN'S BUILDING-STAIRS - DAY

INUMAYYA sits on the stairs trying to convince the OLD MAN, in his early fifties, is crying sitting on the stairs.

OLD MAN

INUMAYYA
 Okondi..sir!

GOVARDHAN is walking towards them from behind, visibly irritated by the loud crying.

GOVARDHAN
