

BHANU looks at VEDA blankly, not realizing the farcical nature of the situation. VEDA rolls his eyes and looks at HARSHA, who is asleep on VEDA's floor, half sitting, half resting against the wall. BHANU pulls out a pastry with a candle on it and looks at VEDA.

BHANU
Abba cake koye.

BHANU blows the candle and holds VEDA's hand and makes him cut the pastry. The rest of them sing the birthday song. half-broken, half-slurring. Suddenly, VEDA lifts his leg from the floor, seeing a PUG trying to lick his foot. BHANU looks down at the PUG, picks it up and shoves it onto VEDA's hands.

BHANU
Aa macha! Marchipoya idhigo ne birthday gift.

VEDA

BHANU

BHANU straps out the baby sling from VISHAL's chest and gives it to VEDA
