A disgusted GOVARDHAN waves the WAITER away. A group of noisy teenagers occupy the table next to him and create a ruckus.

In their excitement, one of them spills their drink - it falls on GOVARDHAN.

As the teenagers advance towards him, his anger turns into fear. He rushes into a corner of the pub looking for a place to hide. He finds a door and runs in - it is the women's toilet.

47 INT. PUB-RESTROOM - NIGHT

GOVARDHAN locks himself in a cubicle, anxious. He looks up at the roof; the lights go out. Someone farts loudly.
