CUT TO:

23 INT. GOVARDHAN'S HOUSE-BEDROOM - DAY

GOVARDHAN is getting dressed in his bedroom. His wardrobe is filled with countless shirt and trousers, the exact same color. Nothing else. He struggles to pick a dress. He finally gets dressed - a tight trouser, an over-sized shirt, wearing an old-fashioned tie.

CUT TO:

24 INT. GOVARDHAN'S HOUSE-DOOR - DAY

GOVARDHAN leaves, carrying an old, brass lunch box in one hand, and an old-school Milton water flask strapped to his shoulder. He locks the door with a weird, wieldy lock. He walks past his "jagratta" doormat. Inside, ANJI, his manservant, locked in at the window, is visibly praying.
