SUBBA RAJU leaves. The trio stand in the middle of the station, too afraid to move. VEERAYYA picks up some papers and files from SUBBA RAJU's table and puts them in a shelf.

The three feel a little weird at how very little attention is now being paid to them. VEDA slowly turns his foot towards the door and tries to put one step forward. He looks at VEERAYYA to see if he would notice. VEERAYYA is not bothered, busy with his work. Slowly, VEDA takes another step forward.

SULOCHANA and GOVARDHAN follow him cautiously. GOVARDHAN then starts to go back, towards his tiffin box and water flask. VEDA is peeved at him.

VEDA

(Harsh Whisper)

Atetu!!? Itra!!..

GOVARDHAN

(Whisper)

Naa tiffin box!

VEDA bites his teeth to control his anger. SULOCHANA puts her hand on his shoulder and calms him down. GOVARDHAN tip-toes to his stuff and picks them up. Just as he turns back, VEERAYYA turns to look at them... The three freeze in their tracks. VEERAYYA is just staring at them.

VEERAYYA

(Confused)

...Enti?

The three don't say anything. VEERAYYA turns away, muttering to himself. The three walk to the exit, very, very, very slowly constantly looking over their back. They almost exit, when VEERAYYA comes and aims a gun at them. The three freeze in their tracks, choked with fear and huddled close to each other with tightly shut eyes. VEERAYYA's looks serious... A tense three seconds pass... then VEERAYYA chuckles and gets back to his paperwork.
