The door opens

FOREST MINISTER

Kasaayi sainyam...

Inside the door is a small room, all walls covered in
 plastic, four big men wearing leather aprons, bloody cleavers
 in hand. One standing next to the door, Two cleaning up their
 blades, and the fourth stuffing something into a gunny bag -
 one among four lying on the floor.

FOREST MINISTER

Aipoinda..

The BUTCHER at the door doesn't answer

FOREST MINISTER
