

150 EXT. MODI'S PODIUM - DAY

The BUM, all cleaned up, is now in security gear, a gun in hand, wandering the space. He picks up the carton of bottled water from MODI's personal effects, and continues wandering.

151 INT. MODI'S PODIUM - DAY

Prime Minister Narendra MODI is finishing up with his address

MODI

 saath meri svaarth ko sveekaar

MODI is flanked by his gunmen and security. VEDA, GOVARDHAN and SULOCHANA are on the podium, waiting. His PA whispers in his ear and leaves. MODI now looks at our trio. He takes a couple of beats and smiles. Before he continues with his speech, he coughs. He calls for someone. His entourage can't find the carton of water bottles.
