CUT TO:

56 EXT. ROAD - NIGHT

The BUM is walking unsteadily, casually looking around when a 1000 rupee note from an ATM centre near him flies out due to a breeze. It was previously stuck in a crevice. The fluttering of the paper attracts his attention. He runs after it in a daze. In his eagerness to get to the note, he runs into GOVARDHAN, who is carrying his tiffin box and Milton water flask. The bump causes his spectacles to fall off. In turn, GOVARDHAN gets in the way of a VEDA, who is driving his bike slowly, enjoying a cigarette. In order to avoid hitting GOVARDHAN, he breaks. VEDA cannot avoid crashing into a car though, which is parked in the side. The tail lamp of the car breaks. Fuel starts to drip out of the car. VASU steps out from the car.

VASU
Nadipetappudu kallu kanapethledu?
dhigu mundhu.

The PUG barks at VASU. RAJU comes out from the car. VEDA gets mad when VASU pushes VEDA.

VEDA
Rey chal ra bhai chal. Naatakalu
dhobbaka pani chusuko.
