EXT. GOVARDHAN'S BUILDING-GATE - DAY

ANJI is sitting at ease, surrounded by a couple of constables. He lights a cigarette, feeling relaxed. VEDA and GOVARDHAN arrive. GOVARDHAN gets off the bike and approaches VEDA.

ANJI

Vaadu oo yedava, vaadu oo loafer,
oka pancheyandi, vaadu dorikithey
vaadini kalchipaareyendi, leda
bokkalo eseyandi. Meeru emchesina
gaani, vaadi figerprint naaku
techiyyandi, ee illu naa peruna

The two constables finish up their report and leave. ANJI sees them off. GOVARDHAN, still burgha-clad, watches all of this from the gate, perplexed. Out of nowhere, ANJI cat-calls GOVARDHAN.

ANJI
