talking on the phone

CHINTHAN BABA

The phone call is overheard by the trio. Also listening in
the other corner of the chambers is the BUM. The BUM takes
the red briefcase and runs away. The trio look at each other,
the situation slowly sinking into their heads, and run away.

The trio are travelling in SULOCHANA's car, all three grim
and sad. The radio turns on by itself. At this very moment,
the car gets a flat tire. VEDA and SULOCHANA get off the car.

VEDA

SULOCHANA opens the car's boot, pulls out the tool kit and
throws it at VEDA, implying him to change the flat.
