The two slowly scramble to their feet.

GOVARDHAN is shocked.

GOVARDHAN

GOVARDHAN

VEDA shoots an angry glance at him. SULOCHANA wonders what is going on. There are two goons with VEDA - the LEAD GOON and another one. Two goons - the ASSISTANT GOON and the SUB-ASSISTANT GOON stays back with SULOCHANA and GOVARDHAN. The LEAD GOON slips because of cow-dung on the ground and loses balance. The gun in his hand falls into the dung near GOVARDHAN. The goons with GOVARDHAN and SULOCHANA run and assist the man on the ground. There are a few realization glances - VEDA signals GOVARDHAN to pick up the gun.

GOVARDHAN refuses. VEDA vigorously uses his eyes to convey the message across to GOVARDHAN, who doesn't want to put his hand in the dung. VEDA makes a dash for the gun and reaches it - pushing some dung onto GOVARDHAN's shoes in the process.

GOVARDHAN
Bhudhundha??? Vochi clean cheyi!!!

VEDA stares angrily at GOVARDHAN

LEAD GOON
Chaalu inka naatakaalu... gun ivvu.

VEDA wonders what to do. SULOCHANA looks tense, wondering what will happen next. GOVARDHAN bites his nails, wearing his water flask. The LEAD GOON walks towards VEDA in a bid to get the gun back. VEDA takes a step back and unexpectedly hits the LEAD GOON on the head with the gun. The other three men pounce on VEDA, trying to wrestle the gun away from him.

SULOCHANA and GOVARDHAN stare in shock. VEDA wrestles with the men.
