

VEDA stares at him angrily. The BUM, briefcase in hand, stands on the middle of the road and asks for a lift. VEDA rages at the BUM.

VEDA

SULOCHANA stops and signals VEDA to let the BUM in

GOVARDHAN

SULOCHANA

VEDA

The BUM gets in and sits next to SULOCHANA, and she starts driving again. After travelling for a while they enter the city. SULOCHANA suddenly breaks at a traffic signal on the signal turning red. The red briefcase flies and falls onto GOVARDHAN's lap. At this precise moment, the Baba's henchmen, who are on the opposite side, see the briefcase.

BABA LEAD HENCHMAN

The henchmen drive after them on the wrong side of the road.

GOVARDHAN gives the briefcase back to the BUM. He thanks GOVARDHAN with a smile. The signal turns green and SULOCHANA starts driving. The henchmen get stopped by the traffic police. After a few minutes, SULOCHANA stops the car and drops the BUM off.
