INT. BABA'S ASHRAM-GUEST AUDIENCE CHAMBERS - DAY

VEDA and GOVARDHAN are sent into CHINTHAN BABA's private chambers immediately. CHINTHAN BABA is in his early 40s.

Slightly effeminate, but only to the trained eye. CHINTHAN BABA is seated on a recliner; he looks composed. As VEDA enters the room, CHINTHAN BABA acknowledges him with a nod.

He opens his eyes to see GOVARDHAN, soon after which his expression changes. CHINTHAN BABA looks at him a split second longer than usual and smiles a mildly strange smile. Only the receiver of the smile would know its crookedness.

CHINTHAN BABA
(Looking at GOVARDHAN
longingly)
Meelo VEDA SHANKAR evaru?

VEDA wondering why CHINTHAN BABA is paying so much attention to GOVARDHAN.
